Welcome to London!

From 8.30am = Housing Check-In at Guilford House. Upon arrival at Guilford House you will be given a “Welcome Pack” along with your room key from the Guard at the Reception desk of Guilford House. You would then, be welcome to settle into your room.

Oyster Card
Within your Welcome Pack you will find an Oyster Card which will allow you to use London Transport throughout the duration of the program. The Oyster Card is a prepaid, credit-card sized plastic card which must be carefully protected. It has been programed for the transit needs for the three weeks, so keep it safe. One taps the Oyster Card in and out of the underground or as one enters a bus.

For students arriving seeking lunch, I would recommend you head to the Brunswick Shopping Centre (10 minutes’ walk from Guilford House) where you will find a selection of places to eat and (also) the local Waitrose Supermarket if you would like to stock up on some groceries.
